

Fire Service Instructor Re-Certification Application

Please print or type all information

Name: _____ SSN: _____

Home Address: _____

City: _____ State: _____ Zip: _____

County: _____ Phone: _____

Organization or Employer: _____

Business Address: _____

City: _____ State: _____ Zip: _____

Job Title: _____ Phone: _____

Years: _____ Date of Original Certification: _____

E-Mail Address: _____

Attach documentation of a minimum of **12 hours of instructing AND 12 hours as a student for a total of 24 hours of instructional development training.**

FOR EXAMPLE: For every hour of verifiable instruction of a certificated course for either a fire academy, Missouri Fire & Rescue Training Institute, National Fire Academy, Division of Fire Safety, or documented in-service training, you will receive one hour of credit toward re-certification, up to twelve hours. The remaining twelve hours must come from a course or conference you have attended within the last three years for *instructional development*.

Attach a summary of how your duties over the past three years reflect your current certification level.

I certify all information contained herein is accurate and truthful to the best of my knowledge.
